

The Swamp

Folks, it will take a miracle for Trump to win. There is just too much corruption. My friend Kevin Pledger posted these facts about our corrupt government. It's what Trump means when he says we must "drain the swamp." He has been talking about them for years. It's why they can and will do anything and everything to defeat him. They can't let him win. Maybe these facts will help those of you on the fence or those not willing to vote at all. Everything stated here is 100% true. Look it up yourself. They're counting on our ignorance, but we just can't plead ignorance any longer.

Here you go:

"It's all connected. It goes to principles and platforms, NOT personalities. Know who you are voting for:

Part of the Democratic Swamp.

People should know who they're voting for with these facts. There is some pretty interesting stuff here.

THIS IS WHAT YOU CALL A "STACKED DECK". IF YOU HAD A HUNCH THE NEWS MEDIA WAS SOMEWHAT RIGGED AND YOU COULDN'T PUT YOUR FINGER ON IT, THIS MIGHT HELP YOU SOLVE THE PUZZLE.

Now you know why no one is investigated. They all have their hands in the cookie jar!

You might remember James Comey, FBI head, who investigated the Clinton email scandal and the Clinton Foundation, and made the final decision to not recommend prosecution by the DOJ.

It turns out that the Clinton Foundation was audited by the law firm DLA Piper. One of the executives there was in charge of the Clinton Foundation audit. Who was it? Peter Comey, James Comey's brother.

Peter Comey held an executive position with the Washington law firm that did the audit of the Clinton foundation in 2015.

The Swamp

Peter Comey was officially DLA Piper “Senior Director of Real Estate Operations for the Americas,” in 2015 when the Clinton Foundation scandals first broke and Hillary was preparing her Presidential campaign.

Not only was DLA Piper, the firm where Comey’s brother worked involved in the audit of the Clinton Foundation, but according to the foundation’s donor records, DLA Piper has given between \$50 - 100k to the Foundation.

It gets even cozier.

DLA Piper executive Douglas Emhoff is taking an extended leave of absence from the firm.

Who is Douglas Emhoff?

He is the husband of KAMALA HARRIS! Just a coincidence? Amazing if it is. You can't make this stuff up! And it only gets worse.

This "Family Tree" will make your head spin. THE SWAMP IS DEEP!!

Dominion (a voting machine provider) serves 40% of the US market. It is in 30 states

The state of Texas rejected the machines.

Admiral Peter Neffenger is on Biden's transition team.

Neffenger was the President of the board of Smartmatic - Smartmatic (another voting machine supplier) entered into an agreement with Dominion in 2009 - Smartmatic counted votes in Venezuela - Smartmatic is connected to Philippine voter fraud. Smartmatic is run by Lord Mark Malloch Brown who works for George Soros (he and Brown are life-long friends). Brown chairs the boards of a number of non-profit boards including the Open Society Foundation, Brown chairs the Centre for Global Development.

The Swamp

Open Society of course is owned by George Soros. Smartmatic partnered with DLA Piper Global - Douglas C. Emhoff works at DLA Piper Global - Douglass C. Emhoff is Kamala Harris's husband

Guess who owns Dominion?

Blum Capital Partners, L.P.

Guess who is on the board for the company? Richard Blum (now deceased).

Richard C. Blum was Dianne Feinstein's husband.

Nancy Pelosi's husband is also a major investor.

An aide to Nancy Pelosi, Nadeam Elshami, was hired by Dominion Voting Systems. And it goes on.

Dominion Voting Systems is listed on the Clinton Foundation website

Dominion Voting is listed as a \$25,000 - \$50,000 donor to the Clinton Foundation in 2014 by The Washington Post.

Georgia Governor Kemp used Dominion Voting after Texas and Florida rejected them.

Dominion has a lobbyist named Jared Thomas - Jared Thomas was Governor Brian Kemp's chief of staff and press secretary from 2012 to 2015.

You must remember the Feinstein-Kavanaugh-Soros connections to understand this next information:

Debra Katz (Christine Ford's, the Kavanaugh accuser, lawyer) worked for George-Soros at the Open Society Foundation. Debra Katz (Christine Ford's lawyer) also worked at Project on Government Oversight (POGO). - POGO is funded by Soros's Open Society

The Swamp

Foundation. POGO is the co-signer of the letter Diane Feinstein presented against Kavanaugh's nomination.

Kamala Harris in CA, did not prosecute OneWest Bank for their fraud when she had the authority.

Soros owned OneWest Bank.

Now you know why a woman who placed 7th in her own state when running for President is now VP! Oh what a tangled web of deceit and lies.

Christians, please reconsider, you just can't sit this one out. You aren't voting FOR Trump, you're voting against this evil, corrupt establishment that is our Government.
